The meeting was called to order at 8:08 PM by Mr. Monger who stated that the meeting was the regular stated meeting of the Board which was to have been held on the first Saturday in June.

The matter of children and un-authorized persons frequenting the cemetery property was discussed at length and it was decided to contact the local police and see if they would patrol the cemetery driveways .

A complaint was received from Mrs Mattie Bailey concerning the theft of a flower box from her lot. It was the agreed opinion that there were entirely too many such boxes and ornaments on many of the graves but no conclusions were reached as to how they could be gotten rid of short on invoking that section of our by-laws pertaining to such boxes and ornaments and this the Board is reluctant to do at this time.

Mr. Monger stated that he had rented the caretakers house on the cemetery property on atemporary basis with the strict understanding that the people were to be law-abiding and well behaved. Thirty days was the time mentioned.

Mr. Flick inquired if correct addresses could be placed on ALL cards in the Secty.-Treasurer's file. Mr. Frey agreed to do this from file to be furnished by Flick. Mr. Frey thought that he could do this in from 4 to 6 weeks after which further effort would be made to get the rest of the addresses.

Mr. Monger presented a request that the bill now being sent to E.P. Hensley (Elmer Polk) be sent instead to the E. Poe Hensley family to whom it belongs.

No further business appearing the meeting was closed at 8:59 PM
