A meeting of the Board of Directors of the Elk Run Cemetery Company,Inc. was held in the home of Mrs Mary Ware Greene,a member of the Board on Thursday March 11th,1971,at 7:30 PM.

The meeting was called to order and opened at 7:35 PM with the following members present:

Mrs Mary Ware Greene,Mr. H.E. Monger,President,G.W. Berry,Mrs Irvin Dean,H.T. Frey and S.P.H. Flick.

Concerning the problem of getting the abandoned automobile out of the cemetery,Mr. Monger said that he had contacted Mrs Breeden's grandson and that he had been told that he had been unable to dispose of it. It was the opinion of the Board that the car must be removed by whatever means necessary even tho it meant having the car moved and sending the bill to Mrs Breeden or her grandson. Mr,Monger also stated that in his opinion only a ditch was needed to divert the water which,at present,runs into Mrs Breedens yard from the cemetery. The town has created a further problem by making a fill so that there is no place for the water to go. Mr. Monger is to contact Mr. Liskey,the Town Engineer and try to get it drained the cheapest way, that will be satisfactory to all concerned.

The matter of purchasing a mower was brought up and it was found that Donald Merica had contacted Mr. Monger and Flick and offerd his mower for sale to the Cemetery. Mr. Flick was instructed to contact Mr. Meyerhoffer,the salesman for J.O. Stickley and see if Mr. Merica's offer of $800.00 was a fair price. If so Mr. Monger was authorized to close a deal for a mower without any further meetings on ths subject.

Flick was authorized to purchase Perpetual Care markers up to $100.00 at the best price possible.

**

A letter from Mr. John T. Cover was read in which he offered a check in the amount of $88.00 for the care of the J.R. Cover lots on which the Cover mausoleum stands,from August 1966. His letter stated that charges prior to that date should have been collected from Mr. Arthur Cover. Mr. Flick was requested to bring this letter to the attention of Mr. Herbert L. Cover and obtain his ideas on the subject.

No explanation was made for the delay in sending out 1971 bills.

The meeting closed at 9:25 PM.
