A meeting was held Friday, July 12, 1968 at 2:00 P.M. in the Council Chambers of the Municipal Building for the purpose of having the bid openings on the Route 33 Project.

The following people were present: Mayor Welty H. Hensley, Councilman Alan R. Thompson, Town Superintendent David C. Liskey, Clerk Norma R. Leap, Edward B. Higgs of Higgs & Shumate, Mr. Connie Kurtz, State Highway Department, Mrs. Dellinger of Rockingham Construction Company, Mr. John Rion of A. B. Torrence and Co., and Mr. Lurty Taylor of Monger Brothers Contractors.

The bids were as follows:

Rockingham Construction Company

Proposal A	$44,456.00

A. B. Torrence & Co.

Proposal A	No Bid
Proposal B	$57,712.50

Monger Brothers Contractors

Proposal A	No Bid
Proposal B	$43,353.07

It was the feeling of Mr. Kurtz, Mr. Higgs, Mr. Liskey and Mr. Hensley that the bid on Proposal A for the relocation of the power facilities was way out of line and that Proposal B on the relocation of the water and sewer facilities was also high.

Mr. Higgs thanked those who had placed a bid and informed them that they would be notified in regards to the action taken on the bids.

The meeting adjourned at 3:00 P.M.
