The Elk Run Cemetery Commission and
The Town of Elkton
Dear Fellow members:

This meeting is being held today at my request.

As you know the Town of Elkton has agreed to accept the responsibility for the operation of the cemetery. I am sure you are also acquainted with the fact, that for practical purposes, I have had to retain the same duties that I had before the Town assumed ownership.

This letter is a request that you accept my resignation as officer ~~and member~~ of the Commission, effective at once. I don't feel physically able to carry out the duties connected with selling lots and another very recent reason is the illness of my sister which I feel sure will greatly curtail my availability. However if there are any other ^{duties} I can help with I will be glad to do so. Your favorable action on this request will be appreciated. Thank you.

Very truly yours,

S. P. H. Flick
