SPECIAL
COUNCIL MEETING
March 18, 1971

A special meeting of the Elkton Town Council was called March 18, 1971 at 8:00 P.M. by the Mayor Edward F. Garber. The following council members were present: Mr. R. G. Harman, Mr. A. R. Thompson, Mr. E. O. Karow, Mr. W. H. McGahey and Mr. H. A. Workman. Mr. R. E. Davis was absent. Mrs. Norma R. Leap, Clerk was present.

Mayor E. F. Garber opened the meeting with prayer.

Mr. Garber explained that Mr. Liskey had requested that he call a meeting due to the dump problem and the need for making an adjustment in the connecting fees for outside of town water customers.

Mr. Liskey explained that due to not being allowed to burn at the dump, the trash accumulation is becoming quite a problem and he just did not know what would be the best solution. He suggested several steps which could be taken. Possibly, allowing no one into the dump with trash except town employees or stopping outsiders from using the town dump.

Mayor Garber reported that he had never received a reply from the letter sent to the Air Pollution Board asking that the town be allowed to burn on a limited scale. He stated that he would write again asking that the town be given a variance for a certain interval to burn once a week due to our dump problem.

After considering several possibilities the council instructed Mr. Liskey to enforce Sec. 26-23 of the Elkton Town Code which states that it is unlawful for any person not a resident of the town or any firm or corporation not having an established business residence in town to deposit garbage, trash or refuse upon the town dump.

Mr. W. H. McGahey moved, seconded by Mr. E. O. Karow and carried to approve the First Reading to amend Section 32-10 B of the Elkton Town Code to read "With reference to water connections outside the town" such charges shall be 100% higher than the town charges therefore.

As there was no further business, Mr. E. O. Karow moved, seconded by Mr. W. H. McGahey and carried to adjourn.
