PUBLIC HEARING
April 13, 1981

A Public Hearing on the proposed Revenue Sharing Budget for Entitlement Period 12 was held April 13, 1981 at 7:30 P.M. in the council chambers with the Mayor Maurice W. Lough presiding. The following council members were present: V. L. Cook Jr., S. P. H. Flick, L. C. Life, C. A. Schumacher, R. L. Snow and L. W. Winegard. Norma Leap, Clerk and Gerald Monger, Superintendent were also present.

The Clerk read the following proposed budget:

Sewer Repair Lower End of Town	$ 1,000.00
Door Closer or Ceiling (Fire Hall)	2,285.00
Landfill Operations	6,000.00
Recreation	4,000.00
Mower	1,010.00
Fire Company - Gasoline	2,200.00
	$16,495.00

Mrs. Shirley O'Byrne asked if there was a breakdown on how the proposed $4,000.00 for Recreation would be used. Mayor Lough stated they did not have this information as the Recreation Commission makes up their own budget.

Mr. James H. Smith asked what good $1,000.00 would do toward the sewer problem on the lower end of town. Mr. Monger stated that this $1,000.00 will be added to the $9,320.00 appropriated from the Revenue Sharing EP-11 Budget to be used toward this problem.

Councilwoman Life stated that the request from the Recreation Commission at the Purposed Use Hearing had been for $6,000.00 and she believes it was to go toward park facilities.

Councilman Snow stated that the money for recreation had not been budgeted for anything as the Commission did not know if they were going to get it or not. Part of it will probably be used for the new ball field going in at the park as well as other Commission sponsored projects already under way. At present the Commission is not using any of their funds for a director as there are none available, but the director is paying her own way through projects sponsored through the Commission for which a fee is charged. Councilman Snow commented on the good job Mrs. Nancy Pence is doing as a director and he hopes sometime in the future the Commission will be able to budget for a director.

As there were no further questions or comments, the meeting adjourned at 7:40 P.M.
