First, the scope of the project was not followed properly by VDOT. Secondly, the Council would like VDOT to provide an itemized list of expenses equaling the $59,000. Third, VDOT should provide to the Town, any documentation completed by VDOT whether it was blueprints, centerlines or other. The letter should also state that Rockingham Street could not be designated a main artery because it is a residential area.

Mayor Dearing stated he would like for the cover letter to have his name and be stamped with the Town official seal.
