Committee Meetings
September 10, 2002

COUNCIL PRESENT
W. Printz
C. Murphy
T. Pence
P. Workman
J. Dean
L. Sigafoose

ABSENT
R. Snow

STAFF PRESENT
R. Carey

Sidewalk Repairs

Odell Crawford appeared before Council to discuss a drainage problem at his grocery store which did not exist prior to the new sidewalk work. Council's opinion was perhaps it was an engineering flaw and not one created by Mr. Crawford. If necessary, the drainage will be corrected at no cost to Mr. Crawford.

Elkton Blue Sox

Council felt an ad in the Valley Banner congratulating the team on their County title was appropriate.

October Council Meeting

The meeting will be set for Monday, October 28, 2002 at 7:00 P.M. The change was necessitated by members of Council attending the VML Conference.

Wednesday, September 11

Participation of area churches in a memorial service on the steps of the Municipal Building at 6:45 P.M., was announced by Mayor Printz.

Mr. Combs

Mayor Printz announced a meeting with Mr. Combs, general manager of Adelphia Cable, at the County Inn at noon on Thursday, September 12. Council was invited. Mayor Printz will invite Mr. Combs to next month's committee meetings.

Dr. Trabosh

Council authorized Mayor Printz to accept his offer for continued use of the graveled area as a parking lot for $1.00.

Attorney Fees

Mayor Printz discussed the high attorney fees. Council will consider options for billing.

Jeremy Berry

Mr. Berry's request for paving was denied, reflecting Council's desire to not set a precedent for this type of request.

Placemats

Fairness of distribution of the placemats and the unknown cost of a full space placemat were discussed. Council member Workman suggested EPIC or some other organization could take the idea for a project. Mayor Printz thought that was a good idea and he thought he could get it done.

Irrigation Meters

Council member Dean stated that Mr. McCoy had written letters and made phone calls to the County regarding what Council considered illegal irrigation meters at ShenValley Drywall and another at Advance Auto. Council revisited the high demand user fee plan submitted two months ago by Council member Dean. Council member Dean will present a motion at the Council meeting on September 16 regarding the installation and usage of irrigation meters in and out-of-town.

Water Haulers

Council wants to study an automated card rater system.

Halloween Night Out

Council supported October 31 as the date for Halloween Night Out. Council member Sigafoose will study increased lighting for the event and Neighborhood Watch will be asked to help with the safety of the children on foot.

Electric

Council member Sigafoose resigned as chair of the Electric Committee and then withdrew his resignation pending procedure changes which would make him more inclusive within the Committee.

As there was no further business, the meeting was adjourned.

MAYOR: _____
Wayne E. Printz, Mayor

RECORDER: _____
Richard D. Carey, Clerk
