SPECIAL
COUNCIL MEETING
April 8, 1987

A special meeting of the Elkton Town Council was held April 8, 1987 at 7:30 P.M. in the council chambers with the Mayor Charles E. Dean presiding. The following council members were present: R. E. Davis, H. A. Leet, L. C. Life and R. L. Snow. B. B. Holt and H. W. Leap were absent. Norma Leap, Clerk and Gerald Monger, Superintendent were also present.

Councilwoman Life briefly reviewed the program for capital improvement funds from the State Department of Transportation which the town is eligible to receive. The amount available to the Town of Elkton this year is $77,000.00. Projects must be approved by the State Department of Transportation. A resolution requesting an urban highway project in the town must be submitted to the State by April 15th. The project suggested for submittal this year is for railroad signals and gates at the intersection of Marshall Avenue and Fifth Street as this carries the Department of Transportation's blessings.

Councilwoman L. C. Life moved, seconded by Councilman R. L. Snow and carried to pass the following resolution:

TOWN OF ELKTON
PROJECT PROGRAMMING RESOLUTION

WHEREAS, in accordance with Virginia Department of Transportation construction allocation procedures, it is necessary that a request by council resolution be made in order that the Department program an urban highway project in the Town of Elkton; now

THEREFORE BE IT RESOLVED, that the Town Council of Elkton, Virginia requests the Virginia Department of Transportation to establish a project for the construction of railroad signals and gates on Marshall Avenue at the intersection of Fifth Street.

BE IT FURTHER RESOLVED, that if the Town Council of Elkton subsequently elects to cancel this project, the Town of Elkton hereby agrees to reimburse the Virginia Department of Transportation for the total amount of the costs expended by the Department through the date the Department is notified of such cancellation.

Adopted this 8th. day of April, 1987.

Mr. Monger reported that the Dominion Planning & Development Co. is seeking approval of sewer and water to the Ashby Lam property, located between Sixth Street and Route 340, for about 18 single family dwellings. Water and sewer had been previously approved to this property for town houses.

Councilwoman Life stated the Planning Commission has reviewed this request and recommended approval.

Councilwoman L. C. Life moved, seconded by Councilman H. A. Leet to approve water and sewer to this location with the same stipulations as were set in the last agreement.

Councilman Davis stated he had reservations due to the size of the houses. He felt 1000 to 1200 square feet is too small.

The vote on the motion was recorded as follows:

Davis	- nay	Life	- yea
Leet	- yea	Snow	- yea

As there was no further business, the meeting adjourned.
