SPECIAL
COUNCIL MEETING
December 10, 1992

A special meeting of the Elkton Town Council was held December 10, 1992 at 5:30 p.m. in the council chambers with the Mayor Charles E. Dean presiding. The following council members were present: F. A. Bennett, R. C. Davis, M. B. Fuller, W. E. Printz, R. L. Snow and T. R. Whitfield III. Norma Leap, Clerk, Gerald Monger, Town Superintendent and Warren Pence, Chief of Police were also present.

The purpose of the meeting was to consider taking action on the erosion of the dump site.

Mayor Dean asked the Clerk to read the following statement:

The Town Attorney has reviewed the applicable statutes and regulations governing the operation and closing of the old town dump, as well as a number of later laws and regulations which could be applicable to the situation. He has found no basis for liability of the Town. It appears that the site was closed by the town in 1973 with an awareness of the appropriate regulations. There is no evidence that such regulations were not followed. The present Solid Waste Management Regulations are not applicable to this old site.

Councilwoman M. B. Fuller moved, seconded by Councilman T. R. Whitfield III and carried to pass the resolution ready by the Town Clerk. The resolution reads as follows:

RESOLVED that the Town Superintendent, Town Attorney and other appropriate town employees take prompt action to obtain information and guidance from all other governmental agencies which may have jurisdiction over the old town dump site and the erosion occurring along the river bank; and further that they develop a proposal for a proper method of remediation of the problem and report their progress and their recommendations to council as soon as possible.

As there was no further business, the meeting adjourned.
