CITIZENS COMMENTS

Cathy Billhimer -Mrs. Billhimer has asked if the Town of Elkton would sponsor a showcase for the Miller Kite House. The showcase would be placed in the Elkton room. Mrs. Billhimer also asked if the Town would pay some of the expenses for the dedication of the Miller Kite House.

Mrs. Hutton- Mrs. Hutton had some questions concerning the budget. Mrs. Hutton questioned the grants that where listed on the budget in the public safety revenues. Another concern was the electric department once the citizens are able to chose their own electric company. Will the town be able to maintain the service at a reasonable rate? Mrs. Hutton had some general questions concerning the water, sewer and street maintenance figures. Mrs. Hutton said she wish that very definitely the council would think long and hard if in fact a 2 million dollar bond is necessary and going to be born on the back of supposedly the recreation section and yet most of it appears its going to go for other things that are not budgeted. Mrs. Hutton said she knew that it did not need to be budgeted to borrow money, but if you would at least wait until you get the new budget going a little bit and give some real consideration to whether your in a position to borrow 2 million dollars.

After public comment, hearing was closed.
