Public Hearing
May 18, 2009
6:30 p.m.

A Public Hearing of the Elkton Town Council was held to solicit public input through the proposed VDOT Urban Construction Program to remove the Spotswood Avenue Project from the program and add the North Stuart Avenue Project and North Street Project to the program.

The Public Hearing was held at 6:30 p.m. on May 18, 2009, at the Elkton Area Community Center. Mayor Larry A. Bompiani presided. The following Council members were present:

PRESENT
M. Dearing
M. Isom
H. Armbruster
D. Kite
P. Workman
R. Snow

Town Manager Reid A. Wodicka, Town Attorney Lauri A. N. Sigler, Chief of Police James A. Morris, Treasurer Clairen Sipe, Public Works Director Timmy Turner, EACC Administrator Allison Morris, Recreation Director Diane Johnson and Clerk of Council Denise R. Monger were also present.

Mayor Bompiani called the meeting to order and the Clerk was asked to call the roll.

Mayor Bompiani stated the hearing was properly advertised.

(A copy of the Notice is appended to the minutes and marked as "Appendix A".)

Town Manager Reid Wodicka presented a slide show regarding the Urban Construction Program. He stated that Spotswood Avenue would be removed from the program and that the project on North Street and North Stuart Avenue would be added. He noted that the state had restructured funding.

Mr. Wodicka stated that the Town could decide to re-enter the Spotswood Avenue project into the program at a later time. He noted that $1.5 million would be used for the two new projects selected.

Mr. Wodicka stated that on North Stuart Avenue from Spotswood Avenue to F Street sidewalks would be installed on the east side and sidewalks repaired on the left side. He noted that water lines would be moved from the middle of the roadway in behind the curbing and three fire hydrants would be installed.

Mr. Wodicka stated that the second project was on North Street from Willow Oaks north to F Street. He noted that a water issue existed at Willow Oaks Drive which would be addressed. He noted that a water line would be added as the sidewalk and curbing were extended. He noted this action would increase water flow in that area.

Mr. Wodicka requested that Council adopt the two resolutions presented in order to move forward on the projects under the program.

Vic Corbo, 248 Windsong Hills Drive, Elkton, questioned if the Spotswood Avenue project included moving telephone poles. He noted that people back their vehicles into them. It was determined that Spotswood Trail was the correct street and not Spotswood Avenue.

Ted Hayes, Elkton, questioned if the Spotswood Trail project was part of the I & I work needed at the Town's wastewater treatment plant. Vice Mayor Dearing responded that from the "Movie House" to Newtown Road was an emergency snow route. He noted that curb and guttering would be put on both sides of that road.

Ted Hayes, Elkton, questioned about funding for the project. Mr. Wodicka responded that $1.5 million was available from VDOT for the Town for the above-referenced projects.

A brief discussion took place regarding a deadline for the program.

As there was no additional business, the public hearing was closed.

Mayor: Larry A. Bompiani
Larry A. Bompiani

Recorder: Denise R. Monger
Denise R. Monger, Clerk
